MEMBERSHIP INFORMATION

This Member Guide describes your Auto Club Member benefits.

New Members can join the Auto Club at the Classic level of benefits only. Existing Members with Classic level of benefits are eligible to upgrade to AAA Plus® or AAA Premier® if the Primary Member in the Membership household has been a primary Member of the Auto Club for the prior ninety (90) days and there have been no taws in the Membership household through the Auto Club during this same period. Existing Members with AAA Plus level of benefits may upgrade to AAA Premier at any time. Members may add the Optional RV and Motorcycle Roadside Assistance as an additional upgrade to any level of AAA benefit. Former Members of the Auto Club who previously had AAA Plus or AAA Premier level of benefits within the past three hundred sixty-five (365) days can rejoin at the AAA Plus or AAA Premier benefit level. Extended Roadside Assistance services for AAA Plus, AAA Premier or optional RV and Motorcycle services are effective seven (7) calendar days after upgrade is processed, and receipt of the full payment due. If you have a vehicle disablement before you join, that disablement will not be covered after you join as one of your four allowable service calls per membership year. If you would like such service, a non-refundable service fee will apply. See AAA.com/servicefee for fee amount.

All Members are entitled to receive Classic benefits. Members who are eligible and have paid the AAA Plus or AAA Premier dues are entitled to receive the AAA Plus or AAA Premier benefits, as applicable. Members who have paid the Optional RV and Motorcycle Roadside Assistance dues are entitled to receive the Optional RV and Motorcycle Roadside Assistance benefits, as applicable.

The AAA Plus Personal Notary benefit is available immediately after purchase. AAA Premier benefits that are available immediately after purchase include the following: Personal Notary, CARFAX Vehicle History Report, Air and Rail processing fee discount, Automotive Consultation, Car Buying Consultation, Vehicle Pricing benefit, and Vehicle Inspection Program rebate.

Membership is for personal, non-commercial use. Members cannot transfer or sell their Membership, Membership benefits or any roadside assistance service calls to any other person. Without limiting any other rights or remedies it may have, the Auto Club may cancel the Membership, and seek payment of any costs incurred as a result of such misuse.

Auto Club Membership

All applications and renewals are subject to approval and acceptance by the Automobile Club of Southern California. If at any time during the year you decide that the Auto Club is not for you, we will give you a pro-rated refund of the Membership dues you paid, excluding the new Member admission fee and discounts. Membership eligibility, dues, fees, services and benefits are subject to change without notice.

AAA Primary and Associate Memberships

The first Membership in your household is the Primary Membership. An Adult Associate must be at least twenty-one (21) years old and reside in your household. There is a limit of one Adult Associate per household. Dependent Associates must be under twenty-one (21) years old and either live in your household or be full-time students away at school. Birth dates must be provided for Dependent Associates; there is no minimum age limit. Adult and Dependent Associates enjoy the same Membership benefits as Primary Members. Primary Members are responsible for the conduct and the service demands of their Associates and any costs to the Auto Club incurred as a result of misuse of Auto Club benefits by their Associates under the Membership. An individual may be a Member on only (1) Membership at a time.

Membership Renewal

The Auto Club Membership is valid for one (1) year. The day, month and year that your Membership expires appears on your Membership card.

Membership may be renewed annually upon payment of applicable annual Membership dues. Prior to the expiration of your Membership, you will receive one (1) or more renewal notices. These notices will state the names of the current Primary and Associate Members, the current services, and the total Membership dues required for renewal. You may add or change Associate Members and services if desired. Your renewal payment is due as of your Membership expiration date. We accept renewal payments up to ninety (90) days after your Membership expiration date. If you renew your Membership prior to your Membership expiration date or within ninety (90) days thereafter, your original Membership number, Membership join date and Membership expiration date will remain unchanged and your renewed Membership term will expire one year from your Membership expiration date, even if such new expiration date is less than one (1) year from the date you paid for your renewal. The Auto Club will continue to provide most Membership benefits and services to you after your Membership expiration date for a limited period of time; however, if you do not renew, you will be billed a service charge for certain services used during such period.

If you prefer not to renew, you may purchase a new Membership at any time subject to all applicable new Membership policies. New Memberships are issued with new Membership numbers, no prior “Membership years,” and may require payment of certain non-refundable fees, such as a new Member admission fee. New Memberships expire one (1) year from the Membership join date.

Membership Cancellation Policy

According to Auto Club bylaws, the Auto Club may cancel a person’s Membership or affiliation with the Auto Club if the Auto Club determines that the person’s conduct or excessive service demands are detrimental to the welfare, standing, or best interest of the Auto Club or to other Members. Members are responsible to the Auto Club for the conduct and service demands of their Associates.

AAA Auto Pay

If you are enrolled in AAA Auto Pay, your membership dues will be on an automatic payment and your membership will renew automatically each year for one (1) year unless you call us at 800.222.3612 or visit your local branch to cancel AAA Auto Pay or your membership prior to your Membership expiration date. Each year, we will send you a statement of your current services and renewal dues amount no less than thirty (30) days prior to your expiration date. We will charge the dues shown on your statement about ten (10) to fifteen (15) days prior to your expiration date from your stored debit/credit card account on file if paying by credit or debit card, or about one (1) business day before your expiration date from your stored checking account on file if paying with ACH payment.

By providing your phone number, we agree that you may contact us at the phone on file via a prerecorded voice message, auto-dialer, or text message in the event your AAA Auto Pay fails or in other circumstances related to AAA Auto Pay or your membership. By enrolling in AAA Auto Pay, you agree that we can store your credit/debit/checking account information to process future payments. If your card issuing financial institution participates in the Card Account Updater program, we may receive an updated card account number and/or expiration date for your card on file. Unless you opt out of the program with your card issuer, we will update our files and use the new information for AAA Auto Pay. We will not receive updated information if your account has been closed.

Payments that cannot be processed or payments returned unpaid or otherwise rejected by your financial institution may result in cancellation of AAA Auto Pay enrollment and membership. Returned checks and returned electronic payments may be re-presented for payment. Each returned payment is subject to a returned payment fee, which may be debited electronically. See AAA.com/servicefee for fee amount.

Collecting Your Contact Information

As a Membership organization, it’s vital for the Auto Club to have our Members’ current contact information (e.g., address, phone and email) in order to provide Member benefits and to inform Members of the various products and services offered by the Auto Club. We will ask for your contact information when you first become a Member. Thereafter, when you contact us, we will ask for your contact information to authenticate your identity and to ensure that we have your most current contact information. If you provide an email address, we will send you emails informing you of Member products and services, unless you unsubscribe.

ROADSIDE ASSISTANCE

Roadside Assistance
Calls placed to our 24-hour call centers may be recorded to increase our ability to monitor the quality of service and assist in addressing Member concerns. Please contact us and cancel your service request immediately if you no longer need assistance.

When requesting service, be prepared to provide:
- Your name and AAA Membership number
- Telephone number from which you are calling or can be contacted
- The exact location of your vehicle and nearest cross streets
- Make, model, year, color and license plate number of the vehicle
- Nature of the trouble

A SAFETY MESSAGE
If you are concerned for your safety or for the safety of others, tell the Auto Club service representative or the independent service provider. Procedures have been established to assist Members in certain situations.

When requesting Roadside Assistance, it is very important to give an accurate location for you and your vehicle. If you are unsure of the vehicle’s location, or you prefer not to remain with your vehicle, advise the service representative, who will work with you to establish a mutually agreeable location for the service driver to meet you. Accept service only from independent service providers that display the AAA or Auto Club emblem.

YOUR AUTO CLUB MEMBERSHIP CARD IS YOUR KEY TO SERVICE
To receive Roadside Assistance, you must present your Auto Club Membership card or dues receipt and a matching valid driver’s license or other state or federally issued photo identification to the independent service provider when the service vehicle arrives. Your identification may be scanned or swiped to verify your identity and authenticity of your photo identification. The provider may scan the Quick Response (QR) code on the back of a driver’s license to scan the imprints on the identification card and further protect against identity theft. You must provide a driver’s license for identification if you are the driver receiving roadside service from AAA.

Service is available only to the person named on the Membership card who is the driver or passenger in the vehicle at the time the vehicle is being serviced by our AAA provider. Auto Club Memberships are not transferable, and Membership service is not provided to non-Members. Members cannot transfer or sell their Membership or any service call to any other person. Other Members of your household who want Roadside Assistance must have their own Membership cards, in their own names, to obtain service.

Unless a valid Auto Club Membership card and matching valid driver’s license or other state or federally issued photo identification are presented at the time of service, you will be required to pay for the service provided at commercial rates.

If a Member is injured in an automobile collision, the independent service provider, when requested, will take possession of the vehicle and hold it until receiving instructions from the Member. Any storage fees will be the responsibility of the Member.

ALLOWABLE ROADSIDE ASSISTANCE SERVICE CALLS
Each Auto Club cardholder is entitled to four (4) Roadside Assistance service calls or reimbursements for personal, non-commercial use per Membership year at no charge, subject to the service limitations and conditions in this guide. There will be a service charge for each additional service call after the fourth (4th) service call or reimbursement. The Auto Club will require immediate payment of a service charge by credit or debit card that will cover “Classic” benefit level services before providing Roadside Assistance on the fifth (5th) or subsequent service request in a Membership year.

Additional charges for Roadside Assistance services beyond the “Classic” benefit level, such as towing beyond seven (7) miles, the cost of emergency fuel and excess vehicle locksmith services, will be payable by the Member directly to the independent service provider at the time of service at such service provider’s applicable rates. If the Member is unable to provide a valid credit or debit card to the Auto Club at the time of service request or the charge is not approved by the credit or debit card company, the Auto Club may send service on a “Cash on Delivery” (COD) basis, meaning all charges payable by the Member will be paid directly to the independent service provider at the time of service at such service provider’s applicable rates. If a cardholder has an unpaid service charge balance and contacts the Auto Club for Roadside Assistance service, the Auto Club will require immediate payment of both the unpaid balance and the service charge for the current service call before providing service. The nonpayment of a service charge may result in cancellation of Membership.

RV/Motorcycle Towing and RV Tire Change
Members who purchase Optional RV and Motorcycle Roadside Assistance are entitled to an additional four (4) Roadside Assistance service calls or reimbursements for RV or motorcycle towing or RV tire change service per household per Membership year. The tow benefit for RV and Motorcycle Members is up to one hundred (100) driving miles per disablement provided the service calls meet the conditions described in this guide. If RV or motorcycle towing or RV tire change service is obtained from a service provider outside the AAA network you may need to pay for service and submit a request for reimbursement. (See REIMBURSEMENT, page 5.) These benefits apply to any eligible RV or motorcycle you own, borrow or rent. Members with this optional service are also entitled to extrication/winching service for RVs and motorcycles under the conditions outlined below under EXTRICATION/WINCHING SERVICE.

Non-Solicitation Request
If you do not want offers from us or our affiliates, please contact your local Auto Club branch or write to the Auto Club, Attention: Membership Privacy, PO Box 25001 Mail Stop A112, Santa Ana, CA 92799-5001 and provide your full name and street address, Membership number, telephone number and email address along with your request to be placed in our Do Not Solicit File. ALLOWABLE ROADSIDE ASSISTANCE SERVICE CALLS
Each Auto Club cardholder is entitled to four (4) Roadside Assistance service calls or reimbursements for personal, non-commercial use per Membership year at no charge, subject to the service limitations and conditions in this guide. There will be a service charge for each additional service call after the fourth (4th) service call or reimbursement. The Auto Club will require immediate payment of a service charge by credit or debit card that will cover “Classic” benefit level services before providing Roadside Assistance on the fifth (5th) or subsequent service request in a Membership year. Additional charges for Roadside Assistance services beyond the “Classic” benefit level, such as towing beyond seven (7) miles, the cost of emergency fuel and excess vehicle locksmith services, will be payable by the Member directly to the independent service provider at the time of service at such service provider’s applicable rates. If the Member is unable to provide a valid credit or debit card to the Auto Club at the time of service request or the charge is not approved by the credit or debit card company, the Auto Club may send service on a “Cash on Delivery” (COD) basis, meaning all charges payable by the Member will be paid directly to the independent service provider at the time of service at such service provider’s applicable rates. If a cardholder has an unpaid service charge balance and contacts the Auto Club for Roadside Assistance service, the Auto Club will require immediate payment of both the unpaid balance and the service charge for the current service call before providing service. The nonpayment of a service charge may result in cancellation of Membership.

RV/Motorcycle Towing and RV Tire Change
Members who purchase Optional RV and Motorcycle Roadside Assistance are entitled to an additional four (4) Roadside Assistance service calls or reimbursements for RV or motorcycle towing or RV tire change service per household per Membership year. The tow benefit for RV and Motorcycle Members is up to one hundred (100) driving miles per disablement provided the service calls meet the conditions described in this guide. If RV or motorcycle towing or RV tire change service is obtained from a service provider outside the AAA network you may need to pay for service and submit a request for reimbursement. (See REIMBURSEMENT, page 5.) These benefits apply to any eligible RV or motorcycle you own, borrow or rent. Members with this optional service are also entitled to extrication/winching service for RVs and motorcycles under the conditions outlined below under EXTRICATION/WINCHING SERVICE. After the household has reached the fourth (4th) RV or motorcycle towing or RV tire change service call or reimbursement, the household will be charged a service charge fee. The nonpayment of a service charge may result in cancellation of Membership.

TYPES OF SERVICE

- MINOR MECHANICAL FIRST AID
  When service is safe, minor repairs may be attempted at the scene to place the vehicle in a drivable condition. These repairs cannot be guaranteed, and Members should immediately proceed to a repair facility to consult a mechanic. The Auto Club cannot guarantee the availability of repairs. The Auto Club service representative or the independent service provider can assist you in locating a local AAA Approved Auto Repair facility, upon request.
• BATTERY JUMP START
If your vehicle’s battery is dead, the independent service provider will jump-start your vehicle if possible. If it cannot be started, towing will be provided under the towing benefit.

• FLAT TIRE SERVICE
If the vehicle’s spare tire is inflated and serviceable, it will be installed to replace a flat tire, if possible. When a serviceable spare tire is not available or cannot be installed, towing will be provided under the towing benefit. With optional RV and Motorcycle Roadside Assistance, Members will receive RV tire change service.

• AAA MOBILE BATTERY SERVICE
AAA Mobile Battery Service is a mobile battery testing and replacement service. In areas where the service is available, a AAA Mobile Battery Service technician will test and assess the vehicle’s battery and electrical system. If the existing battery fails the test and the Member would like to have the battery replaced, the Member can purchase a AAA battery. The technician will install a new battery, if available, that meets or exceeds the vehicle’s original specifications. All batteries come with a 3-year free replacement warranty valid in the U.S. and Canada. AAA Mobile Battery Service is part of Roadside Assistance for AAA Members, provided by independent service providers, and is only available in select areas during select hours. Batteries and battery warranties are provided by independent suppliers. The battery test and replacement service count as one (1) of the Member’s four (4) allowable service calls per Membership year. Batteries are available for most makes and models. Battery prices vary depending on vehicle make and model. Warranty valid in the United States and Canada. Copies of the warranties are available for inspection from the technician at any time upon request. Membership Roadside Assistance terms and conditions apply to AAA Mobile Battery Service.

Members must request and/or schedule battery service by contacting AAA.

• EMERGENCY FUEL DELIVERY
If your vehicle runs out of fuel, a limited supply will be delivered, if available, in an emergency situation to enable you to reach the nearest service station. Classic Members will be charged for the fuel. AAA Plus and AAA Premier Members will not be charged for the limited supply of fuel. Diesel fuel must be requested when you request service and may not always be available. The provider may not be able to assist with priming if it is required after providing diesel fuel. In some cases, your vehicle may have to be towed if it runs out of fuel.

• EXTRICATION/WINCHING SERVICE
If your vehicle becomes stuck, one (1) normally equipped service vehicle and one (1) driver will be provided to extricate or winch your vehicle when it can be safely reached from a normally traveled road or established thoroughfare. Extrication of vehicles parked on streets, driveways, parking lots or alleys that are snowbound or flooded is not covered under AAA Membership. Service does not include shoveling snow from around a vehicle or clearing a road or driveway. If special equipment, more than one (1) service vehicle or more than one person is required, the associated costs may be at your expense. AAA Plus and AAA Premier Members will be provided up to two (2) drivers and two (2) service vehicles, if needed, at no additional charge. Only Members with Optional RV and Motorcycle Roadside Assistance will receive extrication or winching for an RV or motorcycle with up to two (2) drivers and two (2) service vehicles, if needed, at no additional charge.

• VEHICLE LOCKOUT AND LOCKSMITH SERVICE
When the keys are locked inside the vehicle passenger compartment, the independent service provider will attempt to gain entry. If this attempt is not successful and the services of a vehicle locksmith are required to gain entry, the expenses are fully covered or reimbursable. (See REIMBURSEMENT, page 5.)

When the services of a vehicle locksmith are required for lost or broken keys, keys locked in the trunk, or other automotive emergencies, vehicle locksmith service up to Sixty Dollars ($60.00) in parts and labor will be provided for Classic Members. AAA Plus Members receive up to One Hundred Dollars ($100.00) for parts and labor for the services of a vehicle locksmith, and AAA Premier Members receive up to One Hundred Fifty Dollars ($150.00) for similar locksmith services.

If a vehicle locksmith is not available or cannot place the vehicle in an operable condition, towing will be provided under the towing benefit.

California law requires that locksmiths obtain identification from a person receiving lockout/locksmith service. Be prepared to show your driver’s license.

• TOWING SERVICE
When a vehicle cannot be started or safely driven, due to a sudden breakdown, accident or other covered vehicle disablement, the independent service provider can tow the vehicle back to its facility, no matter how far away, at no charge to the Member. A covered vehicle disablement is a sudden or unexpected mechanical, electrical or other failure of a motor vehicle that places the vehicle in an unsafe or un-drivable condition. Not all independent service providers perform repairs at their facility. If you choose to have the vehicle towed to another location (including a AAA Approved Auto Repair facility), it will be towed without charge to a destination of your choice that is up to seven (7) driving miles in any direction from the point of breakdown for Classic Members and up to 100 driving miles for AAA Plus Members for allowable service calls. With AAA Premier, you can use one (1) of your four (4) allowable Roadside Assistance service calls per cardholder per Membership year for a tow of up to 200 driving miles, and the remaining service calls allowed in the Membership year for a tow of up to 100 driving miles. The 200 mile tow excludes RVs and motorcycles. AAA Plus and AAA Premier Benefits increase the distance limit on tows for the 4 allowable service calls as described above, but do not add extra allowable service calls. AAA Plus and AAA Premier towing may be subject to a delay.

With Optional RV and Motorcycle Roadside Assistance, the tow benefit is up to one hundred (100) driving miles per disablement. RV and Motorcycle Roadside Assistance may be subject to a delay. If service is obtained from a service provider outside the AAA network, you may need to pay for service and submit a request for reimbursement. (See REIMBURSEMENT)

Vehicles will not be released or dropped at any location that is unattended. A member must be present when the vehicle is delivered to a closed repair facility. Towing beyond the benefits described above will be performed at the Member’s expense and may be subject to delay.

RENTAL CAR BENEFITS
(In conjunction with a Roadside Assistance Tow in Southern California)

All rental car benefits described below are valid within the thirteen (13) counties served by the Automobile Club of Southern California only. Rental car benefits must be used in conjunction with a tow which is one (1) of the four (4) allowable Roadside Assistance service calls.

A Member whose car is being towed and needs a rental car in Southern California can get a replacement vehicle at a discounted rate from an Auto Club preferred rental car provider. AAA Plus Members receive a complimentary one-car-class upgrade in addition to the AAA-discounted rate. If the one-car-class upgrade vehicle is not available, the AAA Plus Member will receive the next higher car class, subject to availability.

If you are a AAA Premier Member whose car is being towed and who needs a rental car in Southern California, we will arrange for you to get a midsize class or equivalent rental car for one (1) day, at no charge, from an Auto Club preferred rental car provider. Rental must be arranged by the Auto Club. Each AAA Premier cardholder is entitled to one (1) complimentary one-day midsize class or equivalent rental car per Membership year. The AAA Premier Member has up to forty-eight (48) hours from the time of the tow to contact the Auto Club and request the one-day complimentary rental
car. Service must be provided by the rental car provider arranged by calling the AAA Roadside Service number on the back of the Membership card and cannot be for an out-of-territory rental. AAA Premier Members are responsible for subsequent day’s rental charges, upgrades, vehicle insurance, mileage and fuel charges, and any other charges, fees or taxes. Once the one-day complimentary rental car benefit has been used, AAA Premier Members are entitled to the AAA discounted rental car rates and complimentary one-car-class upgrade described above. The complimentary one-car-class upgrade may not be used in combination with the one-day complimentary rental car benefit.

You will need to present your Auto Club Membership card and a major credit card at the time of rental. Normal rental qualifications and other restrictions, including age restrictions, apply. Rental cars are subject to availability. Rental fee subject to change. A refundable deposit may be required.

Members who obtain a rental vehicle from an Auto Club preferred rental provider can receive assistance to get to a rental location. Assistance includes having a vehicle delivered to the Member the next day or pickup and drop off to the nearest rental location or up to a Fifty Dollars ($50.00) reimbursement for taxicab fare to the nearest rental location. The taxicab fare expense will be deducted from the charge for rental days, or if the rental is a one (1) day rental only, and the rental charges do not exceed the taxicab fare, the Auto Club preferred rental provider will return the reimbursement by mail to the Member, provided that Member supplies the receipt and proof of breakdown to receive the reimbursement. For AAA Premier Members, if the rental is a one (1) day complimentary rental only, the Auto Club preferred rental provider will return the reimbursement by mail to the Member, provided that Member supplies the receipt and proof of breakdown to receive the reimbursement.

RIDE ASSIST
If you are a AAA Premier Member and have an accident or breakdown, an Auto Club representative can help you make rental car or other transportation arrangements.

ACCIDENT ASSIST
AAA Premier Members can receive verbal assistance at the time of an accident or breakdown. When you call for Roadside Assistance, an Auto Club representative can help you contact family members, locate restaurants and find hotel accommodations.

ROUTE SUPPORT
AAA Premier Members can call AAA Premier services from within the U.S. to receive driving directions and assistance. Whenever possible, Members should pull over to a safe spot before making a call to use this service.

INDEPENDENT SERVICE PROVIDERS
Roadside Assistance services as described in this Guide are provided by independent businesses under contract to the Auto Club (not employees or agents of the Auto Club, the American Automobile Association or other AAA clubs). These businesses are selected for their ability to provide Roadside Assistance. We cannot guarantee they will have parts to provide repairs.

While responsibility for injury, loss, damage or unsatisfactory workmanship caused by the acts or omissions of any independent service provider remains with the independent service provider, the Auto Club will attempt to assist Members in resolving complaints involving an independent service provider. Member complaints should be received as soon as possible and before additional repairs are made on service failures or damaged vehicle and property caused by our provider. Failure to do so may limit our ability to assist.

ELIGIBLE VEHICLES
The following motor vehicles are eligible for service, provided the vehicle type is one that customarily qualifies for highway registration and is not loaded, altered or constructed in such a way as to cause damage or create a hazard when being serviced:

- Automobiles, pickup trucks, sport utility vehicles, vans, minivans and light-utility motor are eligible for those services which can be safely performed with equipment available from the independent service provider, including slings, wheel-lift devices, car carriers (flatbeds) and dolly wheels.
- Recreational Vehicles (RVs) are eligible for service with the exception of towing, extrication winching and tire change service. Towing, extrication/ winching and tire change service for RVs is available with Optional RV and Motorcycle Roadside Assistance. RVs include motor homes, camper vans and camper-over campers, and recreational trailers including camping trailers, fifth-wheel trailers and empty horse trailers. Boat trailers, personal watercraft trailers and ATV trailers must be either empty or transporting recreational vehicles or equipment. Utility trailers must be carrying recreational equipment (for non-commercial use). Commercial trailers are excluded. Service does not include transportation of horses.
- Motorcycles are eligible only for the delivery of fuel and locksmith services. Towing and extrication and winching service for motorcycles is available with Optional RV and Motorcycle Roadside Assistance. Motorcycles must be licensed for highway use.

SERVICE OUTSIDE SOUTHERN CALIFORNIA
Outside Southern California, Auto Club Members are entitled to Roadside Assistance from the local AAA or Canadian Automobile Association (CAA) club servicing the area. Members will be required to pay the independent service provider for any service that the local AAA or CAA club does not normally provide its Members (including RV and motorcycle towing and RV tire change service for those Members with the optional RV and Motorcycle Roadside Assistance). An application for reimbursement of service charges may be submitted to the Auto Club for consideration. (See REIMBURSEMENT, page 5.)

CHECK ACCEPTANCE FOR EMERGENCY REPAIRS
A Member’s personal check for up to Two Hundred Fifty Dollars ($250.00) will be accepted by the independent service provider for emergency repairs and services. A valid Membership card and driver’s license will be required for identification.

EXTREME SERVICE CONDITIONS
The Auto Club will make every effort to ensure that the provision of Roadside Assistance can be made under all conditions. During severe weather or road conditions, however, there may be some service delays before help can reach you. Heavy traffic may also delay the arrival of the service provider driver. Because towing is by far the most time-consuming type of service the Auto Club provides, towing operations may be temporarily suspended to avoid excessive delays to Members waiting for other services. During such times, priority will be given to Members stranded away from shelter or to Members with vehicles that have skidded and/or become stuck on highways in severe snowstorms.

SERVICE LIMITATIONS
Service will be limited to that which can be provided with equipment ordinarily used for Roadside Assistance by the independent service provider serving the area. Service will not be provided when the disabled vehicle cannot be safely reached or serviced without damage to the vehicle or servicing equipment.

Service may not be used as a substitute for regular maintenance necessary to keep a vehicle in good operating condition. The Auto Club cannot render service repeatedly to a vehicle in need of repair.

Service is intended for personal, non-commercial use, and only provided for a covered vehicle disablement. An individual’s Auto Club Membership may not be used by a business or organization to provide roadside assistance service for its customers, employees or vehicles, including, but not limited to, taxicabs, limousines, shuttles and other commercial vehicles for hire.

Towing service will not be provided for a covered vehicle disablement and will not be provided for the purpose of transporting vehicles due to a purchase, sale, renovation, auction transaction, car show exhibition, charitable donation, relocation or any other similar situation, even if the intent is to repair the vehicle. Such towing is considered a "convenience tow" and are not covered roadside assistance services.

Without limiting any other rights or remedies it may have, the Auto Club may seek reimbursement from a Primary or Associate Member for roadside assistance services fraudulently or wrongfully obtained by the Primary or Associate Member. Primary Members are responsible for the conduct and the service demands of their Associate Members.

**REIMBURSEMENT**

If it is necessary for a Member to pay for covered Membership service at commercial rates, the Member must request an itemized receipt listing the Member’s name, vehicle and services rendered by the service provider. For reimbursement consideration, the Member must present or send the original receipt and an explanation of the circumstances to any Auto Club branch within sixty (60) days of the date of service. A reimbursement counts as a Roadside Assistance service call. (See ALLOWABLE ROADSIDE ASSISTANCE SERVICE CALLS.)

Reimbursements for services, including services received outside of Southern California, will only be considered for those Membership services which the Auto Club provides without charge.
