MEMBERSHIP INFORMATION

This Member Guide describes your Auto Club member benefits.

New members can join the Auto Club at the Classic level of benefits only. Existing members with Classic level of benefits are eligible to upgrade to AAA Plus® or AAA Premier® if the primary member in the membership household has been a primary member of the Auto Club for the prior 90 days and there have been no lapses in the membership household during the Auto Club during this same period. Existing members with AAA Plus level of benefits may upgrade to AAA Premier at any time. Former members of the Auto Club who previously had Plus or Premier level of benefits within the past 365 days can rejoin at the Plus or Premier benefit level. Extended Roadside Assistance services for AAA Plus, AAA Premier or optional RV and Motorcycle services are effective seven (7) calendar days after upgrade is processed, and receipt of the full payment due.

All members are entitled to receive Classic benefits. Members who are eligible and have paid the AAA Plus or AAA Premier dues are entitled to receive the AAA Plus or AAA Premier benefits, as applicable. Members who have paid the Optional RV and Motorcycle Roadside Assistance dues are entitled to receive the Optional RV and Motorcycle Roadside Assistance benefits, as applicable.

The AAA Plus Personal Notary benefit is available immediately after purchase. AAA Premier benefits that are available immediately after purchase include the following: Personal Notary, CARFAX Vehicle History Report, Air and Rail processing fee discount, Automotive Consultation, Car Buying Consultation, Vehicle Pricing benefit, and Vehicle Inspection Program rebate.

Auto Club Membership

All applications and renewals are subject to approval and acceptance by the Automobile Club of Southern California. If at any time during the year you decide that the Auto Club is not for you, we will give you a pro-rated refund of the membership dues you paid, excluding the new member admission fee and discounts. Membership eligibility, dues, fees, services and benefits are subject to change without notice. Returned checks and returned electronic payments may be re-presented electronically for payment. Each returned check and returned electronic payment is subject to a returned payment fee. For returned electronic payments, this fee may be debited electronically.

AAA Primary and Associate Memberships

The first membership in your household is the Primary Membership. An Adult Associate must be at least 21 years old and reside in your household. There is a limit of one Adult Associate per household. Dependent Associates must be under 21 years old and either live in your household or be full-time students away at school. Birth dates must be provided for Dependent Associates; there is no minimum age limit. Adult and Dependent Associates enjoy the same membership benefits as Primary Members. Primary Members are responsible for the conduct and the service demands of their Associates and any costs to the Auto Club incurred as a result of misuse of Auto Club benefits by their Associates under the membership. An individual may be a member on only one membership at a time.

Membership Renewal

The Auto Club membership is valid for one year. The day, month and, in most cases, year that your membership expires appears on your membership card. (If you are enrolled in AAA Auto Pay, your membership card may indicate a two year expiration date, but your membership nevertheless will not stay active unless you pay your membership dues annually.)

Membership may be renewed annually upon payment of applicable annual membership dues. Prior to the expiration of your membership, you will receive one or more renewal notices. These notices will state the names of the current Primary and Associate Members, the current services, and the total membership dues required for renewal. You may add or change Associate Members and services if desired. Your renewal payment is due as of your membership expiration date. We accept renewal payments up to 90 days after your membership expiration date. If you renew your membership prior to your membership expiration date or within 90 days thereafter, your original membership number, membership join date and membership expiration date will remain unchanged and your renewed membership term will expire one year from your membership expiration date, even if such new expiration date is less than one year from the date you paid for your renewal. The Auto Club will continue to provide most membership benefits and services to you after your membership expiration date for a limited period of time; however, if you do not renew, you will be billed a service charge for certain services used during such period.

If you prefer not to renew, you may purchase a new membership at any time subject to all applicable new membership policies. New memberships are issued with new membership numbers, no prior “membership years,” and may require payment of certain non-refundable fees, such as a new member admission fee. New memberships expire one year from the membership join date.

Membership Cancellation Policy

According to Auto Club bylaws, the Auto Club may cancel a person’s membership or affiliation with the Auto Club if the Auto Club determines that the person’s conduct or excessive service demands are detrimental to the welfare, standing, or best interest of the Auto Club or to other members. Members are responsible to the Auto Club for the conduct and service demands of their Associates.

AAA Auto Pay

By signing up for the AAA Auto Pay program, your membership will automatically renew each year unless you contact us to cancel. Each year before your membership expires, we’ll send a statement of your current services and renewal dues amount. Unless you contact us to make changes to or cancel AAA Auto Pay, we will automatically renew your Membership and debit the dues shown on your statement to your payment account on file: in the case of a Credit/Debit Card account, approximately 10 to 15 days prior to the renewal date shown on your statement, and in the case of a checking account, on the business day prior to the renewal date shown on your statement. You may cancel Automatic Renewal at any time online or by contacting us at 877.428.2277.

If your credit/debit card issuing financial institution participates in the Card Account Updater program, unless you opt out of the service with your card issuer, we may receive updated credit/debit card account number and/or expiration date for the card information you have previously provided us. We will update our files and use the new information when we bill you for your annual membership dues. We won’t receive updated information if your account has been closed.

Collecting Your Contact Information

As a membership organization, it’s vital for the Auto Club to have our members’ current contact information (e.g., address, phone and email) in order to provide member benefits and to inform members of the various products and services offered by the Auto Club. We will ask for your contact information when you first become a member. Thereafter, when you contact us, we will ask for your contact information to authenticate your identity and to ensure that we have your most current contact information.

Non-Solicitation Request

If you do not want offers from us or our affiliates, please contact your local Auto Club branch or write to the Auto Club, Attention: Membership Privacy, PO Box 25001 Mall Stop A112, Santa Ana, CA 92799-5001 and provide your full name and street address, membership number, telephone number and email address along with your request to be placed in our Do Not Solicit File. Your request will take effect within 60 days of our receipt. During this time, you may receive mailings that were already in progress. You will continue to receive Weetways magazine, other communications directly related
If you are concerned for your safety or the safety of others, tell the Auto Club service representative or the independent service provider.

**A SAFETY MESSAGE**

If you are concerned for your safety or the safety of others, tell the Auto Club service representative or the independent service provider.

Procedures have been established to assist members in certain situations.

When requesting Roadside Assistance, it is very important to give an accurate location for you and your vehicle. If you are unsure of the vehicle’s location, or you prefer not to remain with your vehicle, advise the service representative, who will work with you to establish a mutually agreeable location for the service driver to meet you. Accept service only from independent service providers that display the AAA or Auto Club emblem.

**YOUR AUTO CLUB MEMBERSHIP CARD IS YOUR KEY TO SERVICE**

To receive Roadside Assistance, you must present your Auto Club membership card or dues receipt to the independent service provider when the service vehicle arrives. A driver’s license or other form of matching photo identification also will be required.

Service is available only to the person named on the membership card, who is the driver of or a passenger in the vehicle at the time of the covered vehicle disablement. Auto Club memberships are not transferable, and membership service is not provided to non-members. Other members of your household who want Roadside Assistance must have their own membership cards, in their own names, to obtain service.

Unless a valid Auto Club membership card and identification are presented at the time of service, you will be expected to pay for the covered service provided at commercial rates.

If a member is injured in an automobile collision, the independent service provider, when requested, will take possession of the vehicle and hold it until receiving instructions from the member. Any storage fees will be the responsibility of the member.

**ALLOWABLE ROADSIDE ASSISTANCE SERVICE CALLS**

Each Auto Club cardholder is entitled to four (4) Roadside Assistance service calls or reimbursements per membership year at no charge, subject to the service limitations and conditions in this guide. There will be a service charge for each additional service call after the fourth service call or reimbursement. The Auto Club may require immediate payment of a service charge by credit or debit card for “Classic” benefit level service before providing Roadside Assistance on the fifth or subsequent service request in a membership year. Additional charges for Roadside Assistance services beyond the “Classic” benefit level, such as towing beyond 7 miles, the cost of emergency fuel and excess vehicle locksmith services, will be payable by the member directly to the independent service provider at the time of service at such service provider’s applicable rates. If the member is unable to provide a valid credit or debit card to the Auto Club at the time of service request or the charge is not approved by the credit or debit card company, the Auto Club may send service on a “Cash on Delivery” (COD) basis, meaning all charges payable by the member will be paid directly to the independent service provider at the time of service at such service provider’s applicable rates. If a cardholder has an unpaid service charge balance and contacts the Auto Club for Roadside Assistance service, the Auto Club may require immediate payment of both the unpaid balance and the service charge for the current service call before providing service. The nonpayment of a service charge may result in cancellation of membership.

**RV/MOTORCYCLE TOWING AND RV TIRE CHANGE**

Members who purchase Optional RV and Motorcycle Roadside Assistance are entitled to an additional four (4) Roadside Assistance service calls or reimbursements for RV or motorcycle towing or RV tire change service per household per membership year. The tow benefit for RV and Motorcycle members is up to 100 driving miles per disablement provided the service calls meet the conditions described in this guide. If RV or motorcycle towing or RV tire change service is obtained from a service provider outside the AAA network you may need to pay for service and submit a request for reimbursement. (See REIMBURSEMENT, page 5.) These benefits apply to any eligible RV or motorcycle you own, borrow or rent. Members with this optional service are also entitled to extrication/winchling service for RVs and motorcycles under the conditions outlined below under EXTRICATION/WINCHING SERVICE. After the household has reached the fourth RV or motorcycle towing or RV tire change service call or reimbursement in a membership year, additional RV or motorcycle towing or RV tire change service requests will be provided on a Cash On Delivery (COD) basis, with all charges payable by the member directly to the AAA Roadside Assistance service provider at the time of service. The Auto Club will not reimburse members for COD service calls over the four call limit. In the event that service is rendered by the Auto Club after the fourth service call or reimbursement per household in a membership year, you may be assessed a service charge fee. The nonpayment of a service charge may result in cancellation of membership.

**TYPES OF SERVICE**

- **MINOR MECHANICAL FIRST AID**
  
  When it is safe, minor repairs may be attempted at the scene to place the vehicle in a drivable condition. These repairs cannot be guaranteed, and members should immediately proceed to a repair facility to consult a mechanic. The Auto Club cannot guarantee the availability of repairs. The Auto Club service representative or the independent service provider can assist you in locating a local AAA Approved Auto Repair facility, upon request.

- **FLAT TIRE SERVICE**

  If the vehicle’s spare tire is inflated and serviceable, it will be installed to replace a flat tire, if possible. When a serviceable spare tire is not available or cannot be installed, towing will be provided under the towing benefit.

  With optional RV and Motorcycle Roadside Assistance, members will receive RV tire change service.
• **BATTERY JUMP START**
  If your vehicle’s battery is dead, the independent service driver will jump-start your vehicle if possible. If it cannot be started, towing will be provided under the towing benefit.

• **AAA MOBILE BATTERY SERVICE**
  AAA Mobile Battery Service is a mobile battery testing and replacement service. In areas where the service is available, a AAA Mobile Battery Service technician will test and assess the vehicle’s battery and electrical system. If the existing battery fails the test and the member would like to have the battery replaced, the member can purchase a AAA battery. The technician will install a new battery, if available, that meets or exceeds the vehicle’s original specifications. All batteries come with a 3-year free replacement warranty valid in the U.S. and Canada.
  AAA Mobile Battery Service is part of Roadside Assistance for AAA members, provided by independent service providers, and is only available in select areas during select hours. Batteries and battery warranties are provided by independent suppliers. The battery test and replacement service count as one of the member’s four allowable service calls per membership year. Batteries are available for most makes and models. Warranty valid in the United States and Canada. Copies of the warranties are available for inspection from the technician at any time upon request. Membership Roadside Assistance terms and conditions apply to AAA Mobile Battery Service.

  Members must request and/or schedule battery service by contacting AAA.

• **EMERGENCY FUEL DELIVERY**
  If your vehicle runs out of fuel, a limited supply, will be delivered, if available, in an emergency situation to enable you to reach the nearest gas station. Classic members will be charged for the fuel. AAA Plus and AAA Premier members will not be charged for the limited supply of fuel. Diesel fuel may be requested when you request service and may not always be available. In some cases, your vehicle may have to be towed if it runs out of fuel.

• **VEHICLE LOCKOUT AND LOCKSMITH SERVICE**
  If your vehicle becomes stuck, one normally equipped service vehicle and one driver will be provided to extricate or winch your vehicle when it can be safely reached from a normally traveled road or established thoroughfare. Extrication of vehicles parked on streets, driveways, parking lots or alleys which are snowbound or flooded is not covered under AAA membership. Service does not include shoveling snow from around a vehicle or clearing a road or driveway. If special equipment, more than one service vehicle or more than one person is required, the associated costs may be at your expense. AAA Plus and AAA Premier members will be provided up to two drivers and two service vehicles, if needed, at no additional charge. Only members with Optional RV and Motorcycle Roadside Assistance will receive extrication or winching for an RV or motorcycle with up to two drivers and two service vehicles, if needed, at no additional charge.

• **TOWING SERVICE**
  When a vehicle cannot be started or safely driven, due to a sudden breakdown, accident or other covered vehicle disablement, the independent service provider can tow the vehicle back to its facility, no matter how far away, at no charge to the member. A covered vehicle disablement is a sudden or unexpected mechanical, electrical or other failure of a motor vehicle that places the vehicle in an unsafe or un-drivable condition. Not all independent service providers perform repairs at their facility. If you choose to have the vehicle towed to another location (including a AAA Approved Auto Repair facility), it will be towed without charge to a destination of your choice that is up to 200 driving miles from the point of breakdown for Classic members and up to 100 driving miles for AAA Plus members for allowable service calls. With AAA Premier, you can use one (1) of your four (4) allowable Roadside Assistance service calls per cardholder per membership year for a tow of up to 200 driving miles, and the remaining service calls allowed in the membership year for tows of up to 100 driving miles. The 200 mile tow excludes RVs and motorcycles. AAA Plus and AAA Premier Benefits increase the distance limit on tows for the 4 allowable service calls as described above, but do not add extra allowable service calls. AAA Plus and AAA Premier towing may be subject to a delay.
  With Optional RV and Motorcycle Roadside Assistance, the tow benefit is up to 100 driving miles per disablement. RV and Motorcycle Roadside Assistance may be subject to a delay. If service is obtained from a service provider outside the AAA network, you may need to pay for service and submit a request for reimbursement. (See REIMBURSEMENT)
  A member must be present when the vehicle is delivered to a closed repair facility. Towing beyond the benefits described above will be performed at the member’s expense and may be subject to delay.

**RENTAL CAR BENEFITS**

(In conjunction with a Roadside Assistance Tow in Southern California)

All rental car benefits described below are valid within the 13 counties served by the Automobile Club of Southern California only. Rental car benefits must be used in conjunction with a tow which is one of the four (4) available Roadside Assistance service calls. A member whose car is being towed and needs a rental car in Southern California can get a replacement vehicle at a discounted rate from an Auto Club preferred rental car provider. AAA Plus members receive a complimentary one-car-class upgrade in addition to the AAA-discounted rate. If the one-car-class upgrade vehicle is not available, the AAA Plus member will receive the next higher car class, subject to availability.

If you are a AAA Premier member whose car is being towed and who needs a rental car in Southern California, we will arrange for you to get a standard class or equivalent rental car for one (1) day, at no charge, from an Auto Club preferred rental car provider. Rental must be arranged by the Auto Club. Each AAA Premier cardholder is entitled to one (1) complimentary one-day standard class or equivalent rental car per membership year. The AAA Premier member has up to 48 hours from the time of the tow to contact the Auto Club and request the one-day complimentary rental car. Service must be provided by the rental car provider arranged by calling the AAA Roadside Service number on the back of the membership card and cannot be for an out-of-state rental. AAA Premier members are responsible for subsequent day’s rental charges, upgrades, vehicle insurance, mileage and fuel charges, and any other charges, fees or taxes. Once the one-day complimentary rental car benefit has been used, AAA Premier
members are entitled to the AAA discounted rental car rates and complimentary one-car-class upgrade described above. The complimentary one-
car-class upgrade may not be used in combination with the one-day complimentary rental car benefit.

You will need to present your Auto Club membership card and a major credit card at the time of rental. Normal rental qualifications and other
restrictions, including age restrictions, apply. Rental cars are subject to availability. Rental fee subject to change. A refundable deposit may be required.

Members who obtain a rental vehicle from an Auto Club preferred rental provider can receive assistance to get to a rental location. Assistance
includes having a vehicle delivered to the member the next day or pickup and drop off to the nearest rental location or up to a $50 reimbursement
for taxicab fare to the nearest rental location. The taxicab fare expense will be deducted from the charge for rental days, or if the rental is a one
(1) day rental only, and the rental charges do not exceed the taxicab fare, the Auto Club preferred rental provider will return the reimbursement by
mail to the member, provided that member supplies the receipt and proof of breakdown to receive the reimbursement. For AAA Premier members,
if the rental is a one (1) day complimentary rental only, the Auto Club preferred rental provider will return the reimbursement by mail to the member,
provided that member supplies the receipt and proof of breakdown to receive the reimbursement.

RIDE ASSIST
If you are a AAA Premier member and have an accident or breakdown, an Auto Club representative can help you make rental car or other
transportation arrangements.

ACCIDENT ASSIST
AAA Premier members can receive verbal assistance at the time of an accident or breakdown. When you call for Roadside Assistance, an Auto Club
representative can help you contact family members, locate restaurants and find hotel accommodations.

ROUTE SUPPORT
AAA Premier members can call AAA Premier services from within the U.S. to receive driving directions and assistance. Whenever possible, members
should pull over to a safe spot before making a call to use this service.

INDEPENDENT SERVICE PROVIDERS
Roadside Assistance services as described in this guide are generally provided by independent businesses under contract to the Auto Club (not
employees or agents of the Auto Club, the American Automobile Association or other AAA clubs). These businesses are selected for their ability to
provide Roadside Assistance. We cannot guarantee they will have parts or be able to provide repairs.

While responsibility for injury, loss, damage or unsatisfactory workmanship caused by the acts or omissions of any independent service provider remains
with the independent service provider, the Auto Club will attempt to assist members in resolving complaints involving an independent service provider.
Member complaints should be received as soon as possible and before additional repairs are made. Failure to do so may limit our ability to assist.

ELIGIBLE VEHICLES
The following motor vehicles are eligible for service, provided they qualify for highway registration and are not loaded, altered or constructed in such
a way as to cause damage or create a hazard when being serviced:

- Automobiles, pickup trucks, sport utility vehicles, vans, minivans and light-utility motor vehicles (including rented and commercial passenger
  vehicles, but excluding taxicabs, limousines, shuttles and other vehicles-for-hire) are eligible for those services which can be safely performed with
equipment available from the independent service provider, including slings, wheel-lift devices, car carriers (flatbeds) and dolly wheels.
- Recreational Vehicles (RVs) are eligible for service with the exception of towing, extrication/winching and fire change service. Towing, extrication/
  winching and fire change service for RVs is available with Optional RV and Motorcycle Roadside Assistance. RV’s include motor homes, camper
  vans and cab-over campers, and recreational trailers including camping trailers, fifth-wheel trailers and empty horse trailers. Boat trailers, personal
  watercraft trailers and ATV trailers must be either empty or transporting recreational vehicles or equipment. Utility trailers must be carrying
  recreational equipment (for non-commercial use). Commercial trailers are excluded. Service does not include transportation of horses.
- Motorcycles are eligible only for the delivery of fuel and locksmith services. Towing and extrication and winching service for motorcycles is
  available with Optional RV and Motorcycle Roadside Assistance. Motorcycles must be licensed for highway use.

SERVICE OUTSIDE SOUTHERN CALIFORNIA
Outside Southern California, Auto Club members are entitled to Roadside Assistance from the local AAA or Canadian Automobile Association (CAA)
club servicing the area. Members will be required to pay the independent service provider for any service that the local AAA or CAA club does
not normally provide its members (including RV and motorcycle towing and RV tire change service). An application for reimbursement of service charges may be submitted to the Auto Club for consideration. (See REIMBURSEMENT, page 5.)

CHECK ACCEPTANCE FOR EMERGENCY REPAIRS
A member’s personal check for up to $250 will be accepted by the independent service provider for emergency repairs and services. A valid
membership card and driver’s license will be required for identification.

EXTREME SERVICE CONDITIONS
The Auto Club will make every effort to ensure that the provision of Roadside Assistance can be made under all conditions. During severe weather
or road conditions, however, there may be some service delays before help can reach you. Heavy traffic may also delay the arrival of the service
provider driver. Because towing is by far the most time consuming type of service the Auto Club provides, towing operations may be temporarily
suspended to avoid excessive delays to members waiting for other services. During such times, priority will be given to members stranded away from
shelter or to members with vehicles that have skidded and/or become stuck on highways in severe snowstorms.

SERVICE LIMITATIONS
Service will be limited to that which can be provided with equipment ordinarily used for Roadside Assistance by the independent service provider
serving the area. Service will not be provided when the disabled vehicle cannot be safely reached or serviced without damage to the vehicle or
servicing equipment.
Service may not be used as a substitute for regular maintenance necessary to keep a vehicle in good operating condition. The Auto Club cannot
render service repeatedly to a vehicle in need of repair.
An individual’s Auto Club membership may not be used by a business or organization to provide roadside assistance service for its customers,
employees or vehicles.
Towing service is intended for personal, non-commercial use, and is only provided for a covered vehicle disablement and will not be provided for the
purpose of transporting vehicles due to a purchase, sale, renovation, auction transaction, car show exhibition, charitable donation, relocation or any
other similar situation. Such tows are considered “convenience tows” and are not covered roadside assistance services.
Without limiting any other rights or remedies it may have, the Auto Club may seek reimbursement from a primary or associate member for roadside
assistance services fraudulently or wrongfully obtained by the primary or associate member. Primary members are responsible for the conduct and
the service demands of their associate members.
The following services are not provided under the membership benefit:

- Service to a vehicle located in an area not regularly traveled by private passenger vehicles (such as a beach, open field, creek bed, private logging or forest service road).
- Shoveling snow from around a vehicle or clearing a road or driveway.
- Servicing or extrication of vehicles on inaccessible streets, back roads, driveways, parking lots or alleys which become snowbound or flooded.
- Towing of vehicles purchased in an inoperable condition.
- Cost of vehicle locksmith services beyond what is necessary to place the vehicle in a condition to be safely driven (such as duplicating keys, non-emergency lock repairs and re-keying of vehicle locks).
- Service in situations where appropriate identification in addition to the membership card is not provided to the service driver.
- Use of two or more Roadside Assistance service calls to extend the member tow mileage benefit for the same breakdown.
- More than 100 driving miles of towing per allowable Roadside Assistance service call for AAA Plus members.
- More than 200 driving miles of towing on one (1) allowable Roadside Assistance service call per AAA Premier cardholder per membership year and more than 100 driving miles of towing on the remaining allowable Roadside Assistance service calls.

Towing, extrication/winching and fire change service for RVs and towing and extrication and winching service for motorcycles, unless the member has Optional RV and Motorcycle Roadside Assistance.

- More than 100 driving miles of towing per allowable service call on any RV or motorcycle tow for members with Optional RV and Motorcycle Roadside Assistance.
- Towing to or from auto dismantlers or salvage yards, or from one storage location to another.
- The installation or removal of snow tires or chains.
- Charges related to impound or stolen vehicle recovery, towing or storage.
- Installation of automotive parts that are not provided by the service provider.

AAA Plus, AAA Premier, and Optional RV and Motorcycle Roadside Assistance services prior to 7 calendar days after the upgrade is processed and receipt of full payment due.

REIMBURSEMENT

If it is necessary for a member to pay for covered membership service at commercial rates, the member must request an itemized receipt listing the member’s name, vehicle and services rendered by the service provider. For reimbursement consideration, the member must present or send the original receipt and an explanation of the circumstances to any Auto Club branch within 60 days of the date of service. A reimbursement counts as a Roadside Assistance service call. (See ALLOWABLE ROADSIDE ASSISTANCE SERVICE CALLS.)

Reimbursements for services, including services received outside of Southern California, will only be considered for those membership services which the Auto Club provides without charge. (Exception: Vehicle locksmith service will be reimbursed up to $60 for Classic Members, $100 for AAA Plus Members and up to $150 for AAA Premier Members.) Certain terms, conditions and exclusions apply and are subject to change without notice. A service charge will be deducted from a reimbursement when applicable. Reimbursement is not provided for taxi fares, telephone calls, rental cars, etc.

Members will be reimbursed for membership services at the prevailing commercial rates when AAA service was requested from a AAA or CAA club, but the membership could not be verified. Reimbursement will be issued upon subsequent verification that the member’s valid membership was in effect at the time of service.

PARTIAL REIMBURSEMENT

Only partial reimbursement, limited to the amount the Auto Club would have paid an independent service provider, will be made when AAA was not contacted to provide service. If towing is covered by an automobile insurance policy, the maximum reimbursement for a tow bill will be limited to the amount the Auto Club would have paid an independent service provider to provide the service. Certain terms, conditions and exclusions apply and are subject to change without notice. A service charge will be deducted from a reimbursement when applicable.

Home Lockout

If you are a AAA Premier member and you become locked out of your home, you can receive up to $100 in locksmith services to pick or drill the lock to gain access to your home from the outside. Home lockout service is reserved for a AAA Premier member’s primary residence in Southern California only and excludes all other buildings or locked areas. The service provides up to $100 for the cost of re-keying, changing locks or making a new key only when the lock must be drilled to gain entry to the home or if keys are lost or stolen. Any charges in excess of $100, as well as all charges associated with any other residential locksmith services, are at the expense of the AAA Premier member. Home lockout service is limited to one (1) usage per AAA Premier household per membership year.

Home lockout service is not transferable to any other person. The AAA Premier member must be present at the time of service. Identification and proof of residence is required. In the case of rental property, approval of the property owner may be required. Service is valid only in the 13 Southern California counties served by the Automobile Club of Southern California. Service is provided by independent locksmiths and is subject to availability; if the Auto Club cannot dispatch service, the member will be referred to a commercial locksmith and will be reimbursed for covered service up to $100. Locksmith arrival time is based on locksmith availability.
