

The Automobile Club of Southern California (“ACSC”) supports and promotes diversity. Diversity is reflected in our employees, members, and business partners. We are committed to driving diversity in our growing supplier base and offering equal access to purchasing opportunities while building value-added business relationships. ACSC’s Supplier Diversity Program recognizes and supports minority, women-owned and service disabled veteran owned business enterprises that provide quality, value-driven products and services.

Definitions

The terms below have the following meanings:

“Minority Business Enterprise (MBE) - “Minority business enterprise” means a business enterprise, physically located in the United States or its trust territories, that is at least 51 percent owned by a minority group or groups, or, in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more minority groups, and whose management and daily business operations are controlled by one or more of those individuals. “Minority” includes African Americans, Hispanic Americans, Native Americans, and Asian Pacific Americans who provide proof of United States citizenship or legal resident alien status.

Women Business Enterprise (WBE) – “Women business enterprise” means a business enterprise physically located in the United States or its trust territories, that is at least 51 percent owned by a woman or women, or, in the case of any publicly owned business at least 51 percent of the stock of which is owned by one or more women, and whose management and daily business operations are controlled by one or more of those individuals, who provide proof of United States citizenship or legal resident alien status.

Disabled Veteran Business Enterprise (DVBE) - The law defines a disabled veteran as a United States military, naval or air service veteran with a service related disability of at least 10 percent. DVBE’s is a sole proprietorship or partnership of at least 51 percent owned by; stock owned; and/or at least in which a joint venture’s management, control and earnings are held by one or more disabled veterans. Its home office located in the United States and is not a branch or subsidiary of a foreign corporation, firm or business. Those certified by the California State Department of General Services.
